Rajasthan is a famous tourist destination. The state has several cities that draw visitors for a variety of reasons, including elephant rides, camel rides, colourful culture, shopping, trade fairs, and, of course, the majestic forts and ancient palaces. However, there is one more compelling reason to visit Jaipur, also understood as the Pink City. This capital city offers exciting **hot air balloon rides** that are an amazing experience. The best feature is that you can get an aerial view of the stunning scenery below. The Balloon Safari is one such experience sport that the capital city of Rajasthan is famous for.

Viewing the amazing city of colours, the Pink City, and antique palaces from above is a truly unique experience. You not only get to appreciate the ride, but you also get an aerial view of the whole city. Take away an exhilarating experience that you will never forget.

In which place was the Hot Air Balloon Safari in Rajasthan?

The magnificent Amber Fort is a world-renowned tourist attraction. The hot air balloon safari is organized at kukas, Jaipur. The start location may change depending on wind conditions. The pilot will make a decision based on weather conditions and the safety of the passengers on board. The duration is between 1 and 3 hours. Passengers remain standing the entire time. The weather in this area is generally stable and smooth, making it ideal for a Balloon Safari.

Is it possible to ride a hot air balloon in Jaisalmer?

Jaisalmer is a fabulous location for hot-air ballooning. It is an amazing experience because one can see the Thar Desert sand dunes as well as the Jaisalmer Fort or the Sonar Qila. The lovely city is very charming, and guests can enjoy hot-air ballooning, which will give you the greatest joy.

Things to consider before booking your next Hot Air Balloon Safari:

- It is essential to plan the **best balloon ride in Jaipur** based on the wind needs in the area. As the winds are perfect at this time, these are usually a pair of hours before sunrise/sunset.
- The climate is ideal for soft rides at 5.30 a.m. and 4 p.m. Balloon rides are occasionally cancelled due to wind situations, but the stakes are higher at noon.

about two hours.

- The balloon can pass up to 2000 feet above the base level. However, flying at a typical altitude is conditional on weather and terrain.
- Some conditions are taken into the record, such as the person's height, age, and so on.
- Although there is no age limit, kids under the age of five are not allowed to board. Furthermore, any child or adult must be at least 1.5 metres tall.
- Those who are vulnerable or afraid of heights may choose not to alight because they must remain standing throughout the flight. On a single flight, there are usually 4 to 5 people on board. For security reasons, pregnant women are not allowed to fly in a hot air balloon.
- If there are any revocations, passengers are notified prior to the start of the Balloon Safari. However, cancellations are uncommon.
